TEACHERS' DAY CELEBRATIONS -2022

Teachers' Day is a special day for the appreciation of [teachers](#), and may include celebrations to honor them for their special contributions in a particular field area, or the community in general.

The idea of celebrating Teachers' Day took root in many countries during the 19th century; in most cases, they celebrate a local educator or an important milestone in education. This is the primary reason why countries celebrate this day on different dates, unlike many other International Days. For example, [Argentina](#) has commemorated [Domingo Faustino Sarmiento](#)'s death on 11 September as Teachers' Day since 1915. In India the birthday of the second president [Sarvepalli Radhakrishnan](#), 5 September, is celebrated as Teachers' Day since 1962, while [Guru Purnima](#) has been traditionally observed as a day to worship teachers/gurus by Hindus. Many countries celebrate their Teachers' Day on 5 October in conjunction with [World Teachers' Day](#), which was established by [UNESCO](#) in 1994.
