

National Science Day Celebrations-2021

Event Date : 19/02/2021

With the theme of **Future of STI : Impacts on Education, Skills and Work.**

Our college Principal Dr. C.Krishna commenced the Program with a wonderful speech.

Convener of this program Dr. K.Jyothi said that bringing the awareness among the students about the importance of scientific applications in their daily life and to encourage them by popularizing the Science and Technology is very important than to celebrate the Science day every year.

Huge number of students have been participated in this program. Participated students exhibited their projects, models, charts etc. A wide variety of projects and models have been displayed.

Scientist 'G'NIH, Dr. Y R Satyajji Rao has attended for this Celebrations as a chief guest. He observed all the exhibits and asked the students about the projects with enthusiasm. He assessed all the exhibits.

In the evening, Prizes were distributed and all the Students were given a participation certificates.

The program was concluded with National Anthem.
