

OBSERVATION OF FIRST AID DAY

Event Date : 10/09/2022

The department of Physics & Electronics along with NSS Units and Health club, Pithapur Raja Autonomous College, Kakinada observed the World First Aid Day, on 10th September 2022 in LCD hall1 to create the awareness and knowing the minimum knowledge of doing first aid at the unpredictable situations.. The resource person Dr.G.Srinu Babu, consultant anaesthesiologist, Apollo Hospitals, Kakinada in his invited talk gave a detailed information about the first aid modes which helps more even in protecting our lives from the unknown and unpredictable health problems. He also explained the measures to be followed for various health disorders before going to be hospitalized. The conveners of the NSS Units and Health club , Sri UVBB Krishna Prasad and Dr. K.Jaya dev with a good coordination organised the program constructively.
