

PARENT TEACHERS MEETING

Event Date : 15/07/2022

The Department of Physics & Electronics organized a parent teacher's meeting at 3pm in room no13 on **15th July 2022**. Respected Principal, all the faculty of the Departments, and nearly 34 students with their parents were participated. Respected Principal, Dr. B.V.Thirupanyam and HoD's of Physics and Electronics addressed the participants regarding the activities being implemented by the Departments and the skill development courses running in the college. The parents are advised to meet the mentors of their wards about their attendance, academic performance and to check them in the mode of spending their valuable time on smart phones. The Upakar merit scholarships were distributed by the Principal and by the parents community to the eligible students of various specific programs of second year and final year streams. Also the parents were made to know about their role as stakeholders in the development of institution by monitoring their children regularly.
