

ANVESHAN-2024
INNOVATION WEEK
NATIONAL SCIENCE DAY -2024

DATE: 22.02.24 TO 28.02.24

Under the chairmanship of Principal, Dr.B.V.Tirupanyam, the department of Physics & Electronics has celebrated ANVESHAN-2024, the Innovation week from 22.02.24 to 28.02.2024.

Day 1: 22.02.24

As a part of Outreach activity, faculty from the physics & Electronics department went to McLaurin school and demonstrated Melde's experiment to the students of class 9.

Day 2 & Day 3: 23.02.24 & 24.02.24

Training session on Project/working models to the Students of Physics & Electronics department.

Day 4: 26.02.24

An invited talk was organized on "Innovative Pedagogy in Physics" at LCD hall-II of the college.

Day 5: 27.02.24

State level Poster/Power point presentations were conducted. Students from different colleges were actively participated.

Day 6: 28.02.24

National Science Day was celebrated on 28.02.2024 at LCD-II of the college. Science projects & working models are displayed at Sri.B.V.R Mohan Redd auditorium.

The celebrations started with garlanding the statue of Sir C.V Raman at the Physics block. Then after the Science Park was inaugurated. Prize were distributed to the students in the valedictory session.

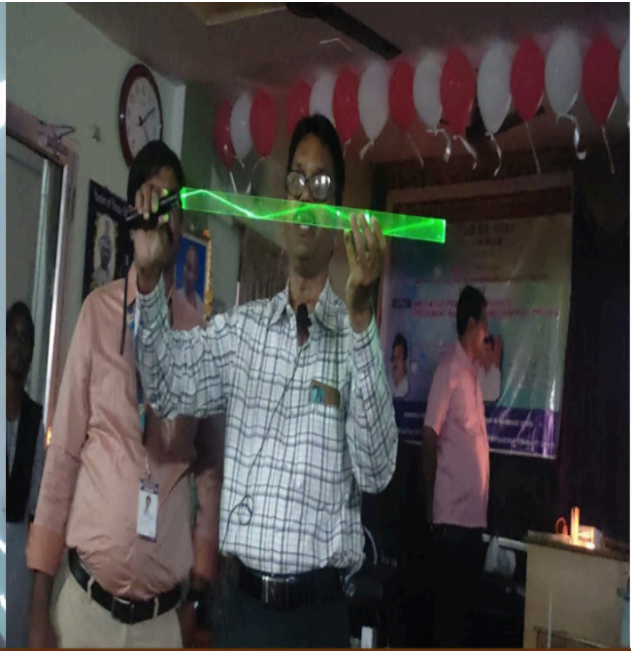

Day 1: 22.02.24

Outreach activity

Day 4 : 26.02.24

Invited Talk On “Innovative Pedagogy in Physics”

Dr.K.Chandra sekhar Rao garu delivering the lecture

Principal,Staff felicitating the speakers

Day 5 : 27.02.24

State level Poster/Power point presentations

State level Poster& PowerPoint presentations

Day 6 : 28.02.24

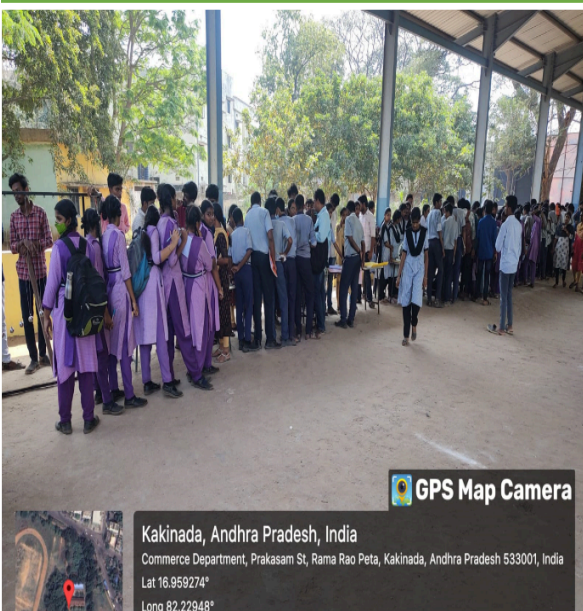

National Science Day Celebrations-2024

Staff and Alumni garlanding Sir C.V Raman Statue

Principal, Dr. B.V. Tirupanyam Giving Closing Remarks

Students Exhibiting Science projects

Teaching Competency Building Training
program for Physics teachers
-Teacher's feedback
