

Inauguration of Online Coaching for APPGCET

Date: 17/02/2025

As a part of extension activity, the Department of Physics & Electronics has inaugurated online coaching for AP PGCET in Physics on 17th February 2025.

This program is intended to provide online coaching for the physics students of all colleges under the Nodal resource centre NRC, Kakinada. For easy accessibility this program was conducted in the online mode.

Dr. B. V. Tirupanyam, principal of the college, presided over the program and gave a briefing on the employment opportunities after M.Sc Physics.

Dr. M. Surekha, Head of the department of Physics & Electronics, explained the Outcomes and the course structure to the students.

The staff and final year students connected virtually to the meeting.
