## PROGRAMME REPORT

The Department of Political Science's Azadi ka Amrit Mahotsav event was a momentous occasion that celebrated India's 75th year of independence with great fervor and enthusiasm. This commemorative event was not just a historical milestone but a testament to the enduring spirit of our nation's democracy. The Mahotsav included a series of engaging activities, including seminars, lectures, cultural performances, and exhibitions, all designed to reflect upon our journey from colonial rule to a sovereign, democratic nation. It provided a platform for intellectuals, scholars, and students to engage in discussions on the struggles and sacrifices that paved the way for our independence. This Programme was conducted under the guidance of Principal Dr. B.V. Tripunyam and other Faculty members of Political Science and other faculty members of our college along with all the students

The theme of the Mahotsav, "Azadi ka Amrit Mahotsav," aimed to inspire reflection on the core principles of democracy, freedom, and equality that have been the guiding principles of our nation. It was an opportunity to revisit the values enshrined in our Constitution and recommit ourselves to upholding them. Through thought-provoking seminars and lectures, participants had the chance to gain deeper insights into the evolution of Indian democracy, the role of political leaders, and the challenges and achievements of the past 75 years.

Cultural performances and exhibitions showcased India's rich cultural heritage, emphasizing the diversity that binds us together as a nation. The event also paid homage to the countless freedom fighters who sacrificed their lives for our independence, fostering a sense of national pride and unity. The Department of Political Science is honored to have organized an event that not only celebrated our glorious past but also laid the foundation for a promising future. As we move forward, we are reminded of the importance of preserving and strengthening our democratic values, ensuring that the dream of a free, inclusive, and progressive India continues to thrive. The Azadi ka Amrit Mahotsav was a testament to our commitment to these ideals, and we extend our gratitude to all who participated and supported this memorable celebration.
