DEPARTMENT OF POLITICAL SCIENCE

P.R. GOVT. COLLEGE (AUTONOMOUS)

KAKINADA

Date: 30-04-2022

PROGRAMME REPORT

The Department of Political Science held a study tour to Hyderabad.

Dates: April 27 to April 30, 2022

Participants: 81 students

Groups: B.A (EEP, HEP EM, HEP TM, HEPHIL)

Objective: The primary aim of the field tour was to provide students with an immersive learning experience, connecting their academic studies with real-world contexts, and to explore significant historical and cultural landmarks in Hyderabad.

•**Salar Jung Museum:**The Salar Jung Museum, one of India's premier museums, provided students with an extensive collection of artifacts and historical treasures. Highlights of the visit included:

The museum's vast array of sculptures, paintings, textiles, and manuscripts, Notable exhibits such as the Veiled Rebecca sculpture and the Indian Armor collection.,The opportunity for students to engage in discussions about the museum's role in preserving history and culture.

•**Jawaharlal Nehru Zoo Park:**The Jawaharlal Nehru Zoo Park offered students a break from historical explorations, immersing them in a diverse ecological environment. Key aspects included:Observing a variety of animal species and understanding their habitats.,Participating in discussions on wildlife conservation and the role of zoological parks in education.,Enjoying the park's natural beauty and recreational facilities.

•**Charminar** : The iconic Charminar, a symbol of Hyderabad, was a focal point of the historical exploration segment of the tour. Students engaged in:

Learning about the history and architectural significance of the Charminar , Exploring the surrounding markets and local culture , Reflecting on the monument's role in the city's heritage and its impact on urban development.

•**Golconda Fort** : The Golconda Fort, with its rich history and stunning architecture, provided a profound historical experience. Highlights of the visit included:

A guided tour of the fort's various structures, including the Bala Hisar Gate, the acoustic system, and the remnants of the once-grand palace , Discussions on the fort's historical significance, military strategies, and architectural innovations , Experiencing panoramic views of Hyderabad from the fort's heights.
