

**NATIONAL VOTER'S DAY**  
**DEPARTMENT OF POLITICAL SCIENCE**  
**P.R. GOVT. COLLEGE (AUTONOMOUS)**  
**KAKINADA**

Date: 25-01-2022

## PROGRAMME REPORT

The Voter's Day event, conducted by the **Department of Political Science** with the theme "**Making Elections Inclusive, Accessible, and Participative**," was a resounding success. It emphasized the fundamental importance of inclusivity in our democratic processes. The program featured insightful discussions, workshops, and awareness campaigns that highlighted the need for equal access to voting for all citizens, regardless of their background or abilities. By fostering a deeper understanding of the electoral process and encouraging active participation, the event made significant strides toward ensuring a more equitable and engaged democracy. The Department of Political Science remains committed to advancing these principles for the betterment of our society. This Programme was conducted with the collaboration of Kakinada Municipal Corporation and under the support of our college Principal Dr. B.V. Tripunyam and other Faculty members of Political Science and other faculty members along with all the students.

This annual event aimed to instill a deep sense of civic responsibility and engagement among the community members. With a series of interactive workshops, discussions, and awareness campaigns, the event highlighted the importance of inclusive electoral processes. Participants were educated about the significance of every vote and the necessity of ensuring that elections are accessible to all, regardless of their background, abilities, or socio-economic status. We believe that every voice matters, and by working towards inclusive, accessible, and participative elections, we can ensure that our democracy remains strong and representative. We extend our gratitude to all participants, speakers, and volunteers who contributed to the success of Voter's Day, and we look forward to continuing our efforts in promoting democratic values in our society.
