PROGRAMME REPORT

The Department of Political Science organised New Voters Enrollment programme with the primary goal of facilitating voter registration for students.

This was a successful initiative that effectively facilitated voter registration and raised awareness about the importance of voting.

Objectives: Increase Voter registration, Raise awareness, Simplify the registration process

The feedback from participants was overwhelmingly positive. Many appreciated convenience of having registration booth in college and the assistance provided by electoral officers. Some participants suggested organising similar annually drives, particularly before major elections, to ensure that all eligible individuals are registered in a timely manner.
