Memorandum of Understanding

Between

The Department of Chemistry
Government Degree College, Yeleswaram
Yeleswaram Mandal, Kakinada District, A.P.

And

The Department of Chemistry
Pithapur Raja's Government College (Autonomous), Kakinada

This Memorandum of Understanding (MOU) sets the terms for understanding
between

The Department of Chemistry
Government Degree College, Yeleswaram
Yeleswaram Mandal, Kakinada District, A.P.

And

The Department of Chemistry
Pithapur Raja's Government College (Autonomous), Kakinada
to

**Collaborate in curriculum designing, content generation and sharing of research
& human resources for academic excellence**

Background:

WHEREAS, Government Degree College, Yeleswaram, Kakinada District, A.P. being a co-education college belong to public sector and are non-profit oriented educational institution located in 'Gateway of Agency' geographical location in Kakinada district. The Department of Chemistry, Government Degree College, Yeleswaram, was established in the academic year 2009-10, has been producing best results in academics. The students and staff have been excelling in cultural and community-based activities even with the limited resources. The College is serving

the poor and majority of the tribal students of nearby Yeleswaram mandals possessing good zeal and abilities to demonstrate good learning abilities and commitment among the student community.

Hence, there would be a lot of prospective in locational and cultural diversity for academic exchange of students and staff for mutual benefit of both the Institutions. WHEREAS, The Department of Chemistry, Pithapur Raja's Government College (Autonomous), Kakinada being located in urban geographical contexts, catering to the needs of young minds aspiring for innovative ideas in basic and advanced chemistry. Thus, the Departments of the aforesaid institutions have recognized each other as ideal partners in bringing forth academic excellence. As both the departments of these two institutions have well qualified and certified teachers and teacher trainers in student centric methods in chemistry, the MOU facilitates sharing of resources for mutual benefit.

ARTICLE-1-PURPOSE:

This MOU will contribute for academic quality among students and professional support for faculty through curriculum designing, content generation and sharing of human resources in curriculum transaction.

ARTICLE-2 - FIELDS OF COOPERATION:

The goals of both the institutions will be accomplished by undertaking the following activities:

- Curriculum design/ teaching learning methodology
- Text book production
- Material development
- Developing e - content
- Faculty Exchange
- Guest Lectures/workshops for students and faculty
- Student exchange programmes
- Extension of support to run certificate courses & seminars/workshops
- Sharing research expertise

The In-charges of both the Departments will monitor this programme items.

ARTICLE-3-REPORTING:

The IQAC Coordinators of both the institutions will monitor the effectiveness of the programme.

ARTICLE-4-FUNDING:

This MOU is not intended to create any legal and financial commitments.

ARTICLE-5-DURATION:

This Memorandum of Understanding shall become effective immediately after this document is signed and exchanged by the representatives of both the institutions, namely, the **In-charge of the Department of Chemistry, Government Degree College, Yeleswaram, Kakinada District, A.P.** and the **In-charge of the Department of Chemistry, Pithapur Raja's Government College (A), Kakinada**, will be in effect for a period of three (3) years and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials this MOU shall end on 30-11-2026.
