Sir,

Greetings from Ocean Society of India

Ocean Society of India (OSI) is a prestigious national scientific society of professionals with more than 600 committed life members who are various fields of ocean sciences. It is only one of its kind in India. The mission of OSI is to provide a forum for sharing the knowledge and experience of individuals, research institutions, and industrial organizations working in the broad area of Ocean Sciences, Engineering, Technology and allied fields. The motto of OSI is to inspire working professionals, researchers, students and to empower the community to conserve and sustainably use the oceans and its resources. The society promotes knowledge dissemination through educational programmes, awareness campaigns, ocean conservation, success stories and good practices. The registered office of OSI is at CMLRE, MoES, GoI, Kochi.

The theme of UN for oceans this year is **PLANET OCEANS : TIDES ARE CHANGING**. OSI celebrates the World ocean day by undertaking a major awareness activity of beach cleaning Indian coasts on June 8th. The programme will be undertaken in all maritime states and union territories of Indian mainland. The programme is being organized by the involvement of committed co-ordinators of 18 academic institutions in India. We are happy to inform you that Dr. Sreenivasan, Dept. of Zoology of your College has been nominated as the co-ordinator of N T R Beach station, Kakinada. Please be good enough to depute Dr. Sreenivasan to take up the mission and offer full support and strength for the programme. We may inform you that a nominal funding support will be provided to him.

During 2022 the Day was celebrated by cleaning all the maritime districts of Kerala. Please accept our invitation.

Thank you so much,

Yours faithfully,

K V JAYACHANDRAN
