DEPARTMENT OF MATHEMATICS

INDEPENDENCE DAY ESSAY WRITING COMPETITION

"Why Independence Day is Important for Today's Youth"

05 AUGUST 2025

Abstract

The *Essay Writing Competition* on the theme “*Why Independence Day is Important for Today’s Youth*” is aimed at inspiring young minds to reflect on the enduring significance of India’s freedom in the context of the present generation. This competition encourages participants to explore how the values of sacrifice, unity, democracy, and resilience—rooted in the freedom struggle—remain relevant in shaping responsible, aware, and progressive citizens today.

Through creative expression and critical thinking, students are invited to articulate their understanding of patriotism, civic responsibility, and the role of youth in nation-building. The activity not only nurtures writing skills and originality but also fosters a deeper emotional and intellectual connection to India’s heritage. By bridging historical insights with contemporary challenges, the competition empowers youth to uphold the ideals of Independence and contribute meaningfully to the nation’s future.

Background & Purpose

Independence Day is a momentous occasion to remember the sacrifices of countless freedom fighters who dedicated their lives for India’s sovereignty. For today’s youth, it is not only a historical milestone but a reminder of their role in shaping a better future. Through essay writing and quiz competitions, we aim to:

- Build historical awareness.
- Inspire patriotism and civic responsibility.
- Encourage critical thinking and research skills.

Theme: “*Why Independence Day is Important for Today’s Youth?*”

Objective:

- To encourage students/youth to reflect on the values of freedom, responsibility, and nation-building.
- To connect historical significance of Independence Day with modern-day challenges and opportunities for youth.

Guidelines:

- **Eligibility:** Open to students of II & III Mathematics Major Students
- **Language:** English / Telugu
- **Word Limit:** 500–700 words
- **Time:** 60 minutes
- **Judging Criteria:**
 1. Relevance to theme
 2. Originality of ideas
 3. Clarity & coherence of expression
 4. Grammar & presentation

Outcomes:

- Increased awareness about the sacrifices behind India's freedom.
- Motivation for youth to contribute positively to society and nation.

Winners:

First Prize – P.Nakshatra – II Mathematics Major

Second Prize – K.Padmavathi – III Mathematics Prize

Third Prize – B. Sravani – III Mathematics Major

Consolation Prize – B.V.V.Durga - II Mathematics Major

 Second prize - K. Padmavathi - III Maths Major
 Third prize - B. Sravani - III Maths Major
 Consolation prize - B. V. V. Durga - II Maths Major

Conclusion:

Independence Day is not just a commemoration of our nation's freedom—it is a reminder of the courage, sacrifice, and unity that built our country. For today's youth, it is an opportunity to reflect on these values, embrace their role as responsible citizens, and contribute to the progress of the nation. By understanding the struggles of the past, the younger generation can find inspiration to safeguard our hard-earned liberty and work together to create a future that honors the dreams of our freedom fighters.
