Copy to the DMO i/c, PO-RBSK, Epidemiologist i/c in this Office, Kakinada.

Date: 4-11-2025

From
Dr K. Anjaneyulu, M.A., UGC-NET JRF, PhD.
Principal (FAC),
P.R. Govt College (A),
Kakinada.

To
The District Medical and Health Officer,
Ramarao peta,
Kakinada, Kakinada District.

Sir/Madam,

Sub: PRGC (A)-Kakinada-services of a medical doctor to conduct weekly
Health Check-ups of Students-req-reg.

I am writing on behalf of P.R. Govt College (A), Kakinada to request the support of your office in arranging a qualified doctor to visit our college and conduct routine health check-ups for our students on a weekly basis.

About our College:

Name : **P.R. GOVT COLLEGE (A), Kakinada**
Address : **Opp-Mc Laurin School**
Number of students : **3500**
Teaching Staff : **130**
Non-Teaching staff : **50**

Regular medical screening plays a vital role in early identification of communicable and non-communicable conditions, monitoring growth and development, ensuring timely immunizations, and providing health education to students and staff. Weekly health visits by a medical professional will help us maintain a healthier college environment, reduce absenteeism, and support overall student well-being.

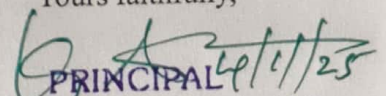

Facilities we can provide: consultation room, record-keeping assistance, and a staff member to coordinate

We would be grateful if your office could either assign a doctor from the district health team for these weekly visits or guide us on collaborating with the nearest primary health centre. We are ready to coordinate logistics and provide any necessary documentation to facilitate this collaboration.

Please let us know of your decision and any further information you require. We sincerely hope for your positive response and look forward to working together to promote the health of our students.

Thank you for your kind consideration,

Yours faithfully,

PRINCIPAL
P.R. Govt. College (A)
KAKINADA
