

# Energy Audit in the Campus

**Event date: 15– 11 – 2022 to 18.11.2022**

Department of Physics and Electronics conducted the energy audit for the academic year 2022-23 in the campus from 15<sup>th</sup> to 18<sup>th</sup> November 2022. The audit was done as a project by the students of final year MPE and MPCS. The lecturer in charge of the department, Physics and Electronics, Sri.U.V.B.B.Krishna Prasad had provided the needed worksheets, instructions and given the guidelines and the directions to be followed in bringing maximum accuracy in estimating the energy consumption by all around the campus viz. the departments, exam cell, waiting halls, rest rooms, administration blocks and open areas. Around 40 students were made to be involved and get well trained in the process of calculation of the consumption of electrical energy by the institution.
