14/ Dear Dr Chappidi Krishna Garu :

It was a great pleasure meeting you last month during my visit to the PR Govt college. This mail is in continuation of our chat during that time.

As indicated by us, Athato Foundation was considering setting up a PG Scholarship of Rs1000 per month for a PG student. We were considering setting up the Scholarship in Telugu Department or Physics. We also considered the suggestion of setting up a PG Scholarship without naming a department. But came to a conclusion that a department having it continuously will have the benefit of attracting students for that department.

Accordingly having considered all options, the Athato Foundation decided to institute the PG Scholarships (2) in Physics department for the MSc students in the first year and the second year. The Scholarship amount will be Rs 1000 per month (of the Academic year of 9 months). The annual amount will be Rs 9000/.

This scholarship is named after and as Pandit Vijay Raghav Rao memorial Scholarship.

PadmaShri Vijay Raghav Rao was also an Alumni of PR Govt college in mid 40's. His bio and picture are attached for information.

The selection of the candidate should be based on Merit among all the students entering the MSc (Physics) course in the first year. In the second year it should be based on the merit among students who completed the first year of MSc(Physics). We hope the Scholarship helps in attracting best students to the Physics Department.

I hope our proposal finds your favor.

Please confirm that this is agreeable to you, so that we can proceed further.

with sincere regards & best wishes

Dr Chalapati Rao Kasarabada

DEPARTMENT OF PHYSICS AND ELECTRONICS

RESOLUTION

The members of the Department of Physics and Electronics met under the chairmanship of the in-charge of the Department Dr.K.Jyothi to finalize the students eligible for KASARABADA SCHOLARSHIP.

As per the telephonic talk and mail received from ATHATO FOUNDATION – BANGALORE, the foundation wishes to continue both UG and PG Scholarships for the academic year 2020-21 also. The foundation further wishes to extend its scholarships to students who have done the best projects in the departments of Electronics and Computer Science.

Hence two more scholarships may be awarded to Best Project students along with the already existing 5 scholarships from the academic year 2020-21. Hence after carefully examining and following the norms of selection of “KASARABADA SCHOLARSHIP”, the members short list the following UG & PG students as recipients for the same for the academic year 2020-21.

The list is communicated to ATHATO FOUNDATION – BANGALORE

It is resolved to award a scholarship of Rs.5000/- each to the students of Departments of Computer Science and Electronics.

It is resolved that each department may split the sanctioned amount to 2/3 projects depending on the number of innovative projects received.

It is resolved to request the Principal to sanction the scholarship to the students

Reg: Kasarabada scholarships-2024-25 @ PRGC(A) Kakinada

Dear Prof Tirupanyam Garu;

We are happy to inform you that starting from the 2024-25 academic year, Athato Foundation proposes to add three more Scholarships in the undergraduate BZC (Botany Zoology Chemistry) stream of BSc. The three Scholars will be in the three years (1st, 2nd and 3rd years) of the undergraduate program. We leave the choice of the actual stream to the College. It could be Botany centric. The Scholarships will remain at the current level of Rs750 per month (for 9 months of academic program), with a lump sum total of Rs 6750 for the academic year. While proposing these new scholarships, we were partly guided by the feedback from the college that an increase in the number of scholarships is preferable to increasing the individual amounts of existing scholars.

With the addition of three more scholars, Athato Foundation will be supporting eleven scholars in all at PRGC (two PG scholars, three scholars in undergraduate Physics Stream, three scholars in undergraduate Sanskrit stream, and three scholars in undergraduate Botany or zoology or Chemistry streams. These eleven scholarships will add up to a scholarship amount of (Rs 78250) annually. Athato Foundation also continues to support two project awards of Rs 5000 each in Computer and Electronics streams ,amounting to a total of Rs ten thousand. These are under KKRA (Kasarabada Kamaraju Research Awards) Thus the total funds committed to PRGC Scholars, by Athato Foundation amounts to Rs 88750 annually during 2024-25 academic year.

We are also happy to inform you that we have transferred the funds (Rs 88,750/) to PRGC Principals Bank account today. We are attaching Bank confirmation receipts for you to cross check and confirm. I hope your finance division can confirm the receipt of the funds. We will be grateful for the same. This is an administrative requirement of Athato Foundation.

This completes our commitment to the 204-25 academic program at PRGC.

Thanking you for all the support provided to Athato foundation, in implementing this program. Our sincere thanks to Prof Krishna Prasad and Garu and Ms Surekha of Physics department, who are doing yeoman's service in supporting this program.

Sincerely,
Dr C Rao Kasarabada
Athato Foundation.
