

National Science Day-2023

Event date:28-02-2023

The National Science Day- 2023 with the theme of the day "global science for global well being" was celebrated by the Department of Physics and Electronics, P.R. Government College (Autonomous) on 28.2.2023. The chief guest invited , Dr.D.L.Sastry honoured sir CV Raman statue in the department and inaugurated the science exhibition by lighting the lamp. Regarding this remarkable day, the Department organized 'open campus day' for school and junior college students. Nearly 62 students from outside institutions visited the labs. The department conducted various competitions to the students viz. essay writing, drawing on theme of the day. An offline quiz was conducted to 30 students from first year UG at 11am on 27th February in LCD1. Simultaneously an online quiz was conducted to 61 students from second years. Around 30 projects were performed by both UG and M.Sc. Physics students

Inauguration of students projects

Prof. D.L. Sastry addressing the students on the achievements of Sir C.V.Raman

Offline Quiz Competition conducted to 1st year students

Online Quiz Competition conducted to 2nd year students

Project – I B.Sc. MPE, Solar Power Generation

Open campus for outside Schools and junior colleges

Smart Glasses Project - I B.Sc.MPCS GOWTHAMI & TEAM
