“Swarna Andhra Swachh Andhra Programme at P.R. Government College (A), Kakinada”

In

alignment with the *Swarna Andhra Swachh Andhra* initiative launched by the Government of Andhra Pradesh, Pithapur Rajah's Government College (A), Kakinada, conducted a comprehensive campus cleanliness drive during the third week of June. The programme witnessed enthusiastic participation from all academic departments, faculty members, non-teaching staff, and students. The objective was to promote cleanliness, raise awareness on waste management, and encourage sustainable practices within the college community.

Under the guidance of the Principal and departmental heads, various teams were formed to clean different parts of the campus, including classrooms, laboratories, corridors, and surrounding areas. A special focus was given to the collection and proper disposal of plastic waste. Students took an active role in collecting plastic bottles, wrappers, and other non-biodegradable materials, which were then sorted for recycling.

The initiative aimed not only to beautify the campus but also to instill a sense of responsibility and environmental consciousness among the youth. Educational messages and banners promoting cleanliness and eco-friendly habits were displayed across the campus. The programme concluded with a pledge by students and staff to maintain cleanliness and reduce plastic usage.

This collective effort reflected the college's strong commitment to environmental sustainability and social responsibility.
