***Brief Report of the Activity***

Madam briefly explained that, In the 21st century, the world is changing rapidly. Technology is evolving at an unprecedented pace, and the global economy is becoming increasingly interconnected. In this rapidly changing environment, it is more important than ever to have the skills and mindset of an entrepreneur. An entrepreneur is someone who sees an opportunity and takes action to create a new product or service. They are creative, innovative, and risk-takers. They are also resilient and persistent. They don't give up easily, even when things get tough.

The 21st century skills that are essential for entrepreneurs include:

Creativity and innovation: Entrepreneurs need to be able to come up with new ideas and solutions to problems.

Problem-solving: Entrepreneurs need to be able to identify and solve problems.

Critical thinking: Entrepreneurs need to be able to think critically and make sound decisions.

Communication: Entrepreneurs need to be able to communicate effectively with others.

Collaboration: Entrepreneurs need to be able to collaborate with others to achieve their goals.

Teamwork: Entrepreneurs need to be able to work effectively as part of a team.

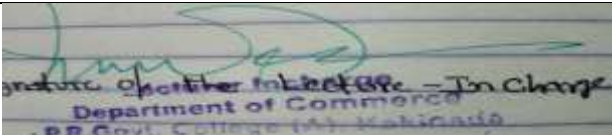

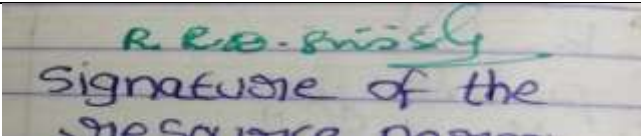

Leadership: Entrepreneurs need to be able to lead and motivate others.

Digital literacy: Entrepreneurs need to be able to use digital tools and technologies effectively.

Global awareness: Entrepreneurs need to be aware of the global economy and be able to compete in it.

Adaptability: Entrepreneurs need to be able to adapt to change.
