No. Of Students Participated	90
Brief report of the activity	<p>The resource person Dr G Satyanarayana delivered his messages on Constitution Day 2022. Which is celebrated on 26 November every year in India. This day marks the adoption of the Constitution of India by the Constituent Assembly in 1949. The Constitution is the supreme law of the land and it guarantees the fundamental rights and duties of all citizens. The drafting of the Constitution was a long and arduous process. It took the Constituent Assembly 2 years, 11 months, and 18 days to complete the task. The Assembly was made up of 389 members, representing all parts of India. The chairman of the drafting committee was Dr. B.R. Ambedkar, who is also known as the "Father of the Indian Constitution". The Constitution of India is a living document that has been amended several times over the years. It is a testament to the foresight and wisdom of the founding fathers that the Constitution has been able to withstand the test of time and still serve as the basis of our democracy today. On this Constitution Day, let us all take a moment to reflect on the importance of this document. Let us pledge to uphold the values and principles enshrined in the Constitution and to work towards building a stronger and more just India.</p>
