Brief report of the activity	<p>Hosted a guest lecture on "Women Empowerment in 21st Century Skills," delivered by [speaker's name], a renowned [speaker's designation]. The lecture highlighted the critical role of women in mastering skills like digital literacy, critical thinking, and leadership in today's dynamic world. Emphasizing empowerment, the speaker discussed how access to education, technology, and mentorship can bridge gender gaps in professional fields. Key points included the importance of STEM education for women, fostering financial independence, and cultivating resilience against societal barriers. The session also showcased inspiring success stories of women leveraging modern skills to excel globally. Interactive discussions engaged the audience, encouraging actionable steps toward gender equality. The lecture underscored the need for inclusive policies and continuous learning to empower women, leaving attendees motivated to advocate for change.</p>
