<b>CONDUCTED BY</b>	: Department of COMPUTER SCIENCE
<b>DATE</b>	: 07 DECEMBER 2024

On December 7, 2024, the Department of Computer Science organized an awareness program titled **“Social Media and Cyber Bullying: Awareness for a Safer Online World.”** The objective of the program was to educate students about the responsible use of social media and the dangers associated with cyber bullying.

Dr. A.S.N. Chakravarthy, the resource person for the event, delivered an insightful session highlighting how social media addiction affects students and the various consequences it can have. He also addressed effective ways to tackle cyber bullying, using real-life examples from society to make the session more relatable and impactful.

A total of 138 students actively participated in the event and greatly benefited from the valuable information shared.

Principal Dr. B.V.V. Tirupanyam addressed the gathering

The resource person, Dr. A.S.N. Chakravarthy, shared his insights on cyber bullying

Students attentively listening to the guest lecture on 'Social Media and Cyber Bullying: Awareness for a Safer Online World'.
