PRATICAL SKILLS/ABILITIES:

13 years of professional teaching and laboratory experience, I have developed strong practical skills in both instructional delivery and technical execution across a wide range of Zoology and Life Science subjects. My expertise includes:

- ✓ Designing and conducting practical classes for, Undergraduate, and Postgraduate students.
- ✓ Skilled in demonstrating live and preserved specimens, microscopy techniques, slide preparation, and laboratory instrumentation.
- ✓ Deep knowledge in handling practicals related to:
 - Bio-systematics (taxonomy, identification keys)
 - Endocrinology (gland histology and hormone assays)
 - Fisheries and Aquaculture (fish seed, water quality, breeding techniques)
 - Clinical Sciences (hematology, parasitology)
 - Ecology and Environmental Biology (field sampling, data recording)
 - Immunology (blood grouping, immunodiagnostics)
 - Invertebrate and Vertebrate Zoology (dissections, morphology)
 - Physiology and Cell Biology (experimental procedures, mitosis/meiosis, enzyme actions)

SOCIAL ACTIVITIES:

- ✓ Community Education and Awareness
Actively involved in organizing and participating in awareness programs related to environmental conservation, public health, and scientific literacy among rural and urban communities.
- ✓ Student Mentorship and Career Guidance

Provided voluntary academic and career counseling to students at the Degree levels, especially those from underprivileged and rural backgrounds, helping them choose suitable higher education and career paths in life sciences.

Participation in NSS/NCC Activities

Supported and collaborated in National Service Scheme (NSS) activities such as:

- Swachh Bharat Abhiyan (Clean India Mission)
- Plantation drives
- Blood donation camps etc.

Computer skills

✓ Operating Systems: Windows 97/2003/2007/XP home & Professional.
